

RAMSSES - Realisation and Demonstration of Advanced Material Solutions for Sustainable and Efficient Ships

Final Public Conference
17 Nov 2021
Nantes, France

Opening, introduction to the agenda, rules of the hybrid event

Carlo Cau, Cetena
Matthias Krause, Center of Maritime Technologies gGmbH

1. Rename your Webex name to (**name_company**) e.g. Matthias Krause_CMT
2. Your microphone is automatically switched off upon entry.
3. Please switch on your camera and microphone only when specifically asked by the moderator.
4. Ask your questions and join the poll via Slido. The Slido is automatically available on your Webex panel. If it's not available in your webex panel, please visit **Slido.com** and enter the event number **#738 130 109**
5. You will see the co-host stage view. You can resize the presentation or the speaker view by dragging the line in between the two views.
6. If you have technical questions or a problem, please ask the co-host via chat.
7. All the slides will be published in RAMSSES website (ramsses-project.eu) after the event.

- Where is your organisation located? – multiple choice; options:
 - All RAMSSES partners' countries
 - Other – within Europe
 - Other – outside Europe
- What type of organisation are you working for? – multiple choice; options:
 - Same as in the registration poll

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 723246. The presentation reflects only the author's view and the Agency and the Commission are not responsible for any use that may be made of the information it contains.
